

HJR 180 -- MANAGEMENT OF STATE NATURAL RESOURCES

SPONSOR: Elliott

Upon voter approval, this constitutional amendment would require any state department that receives a profit from its management of the state's natural resources to remit a portion of the profit to the county in which the resources are located. The General Assembly may enact laws to provide for a method and proportion of any money provided to the county.

This bill is the same as HJR 97 (2024).
