

HJR 188 -- MO HEALTHNET

SPONSOR: Deaton

Upon voter approval, this constitutional amendment modifies provisions relating to MO HealthNet.

Currently, no greater or additional burdens or restrictions on eligibility or enrollment standard, methodologies, or practices can be imposed on persons eligible for MO HealthNet services than on any other population eligible for medical assistance. This amendment repeals that restriction.

Currently, all references to Federal or State statutes, regulations, or rules in this section of the Constitution are to the version of those statutes, regulations, or rules that existed on January 1, 2019. This amendment repeals that provision.
