The following is a summary of the public testimony from the committee hearing. The testimony was based on the Perfected Senate version of the bill.

PROPONENTS: Supporters say that the provisions of this bill do not change any substantive language, except for those provisions related to school-sponsored spanking of students. Supporters further state that bills of this nature used to be passed into law frequently, but no "clean up" bills have been signed into law in recent years. Such clean up measures are long overdue.

Testifying in person for the bill were Senator Coleman; and Arnie Dienoff.

OPPONENTS: There was no opposition voiced to the committee.

Written testimony has been submitted for this bill. The full written testimony and witnesses testifying online can be found under Testimony on the bill page on the House website.
