<b>THE INFORMATION ON THIS FORM IS PUBLIC RECORD UNDER CHAPTER 610, RSMo.</b>			

I respectfully submit this testimony in opposition to HB 2180.

As of the evening prior to this hearing, the full bill language for HB 2180 has not been clearly and readily accessible to the public. Citizens should not be expected to evaluate, support, or oppose legislation without the ability to review the actual statutory changes being proposed.

HB 2180 is described only in broad terms as modifying provisions relating to mail sent by state agencies. Changes involving official communications from the state can directly impact due process, notice requirements, access to services, and citizen rights. Such matters demand transparency, clarity, and adequate public review.

When legislation proceeds without timely public access to its full text, meaningful public participation is undermined. Regardless of the bill's intent, the process itself is insufficient.

For these reasons, I oppose HB 2180 and urge the committee to delay consideration until the full bill language is publicly available with sufficient time for citizen review.
